

A Boating holiday on the River Peene

Canalboat specialist Kuhnle-Tours starts the 2020 season with a new cruising area on the River Peene.

In Malchin, right at the beginning of the river Peene, will be the comfortable canalboats of the Kormoran class, as well as the wheelchair-accessible Febomobil class for rent. Once on board you can enjoy 100 kilometers of idyllic river landscape until you reach the city of Anklam. On the river Peene, all cruises are licence-free, but from Anklam down to the backwaters Kormoran crews will need the boaters licence for saltwaters or the appropriate licence of their home country (no boating licences may be required). Oneway

cruises to the Kuhnle-Tours bases in Berlin-Zeuthen and Zehdenick (Brandenburg) are possible. Kuhnle -Tours previously operated in the area from 1998 to 2007. The spacious Kormoran Canalboats of the company owned boatyard are perfectly equipped and classified for the use of internal waterways and protected coastal waters. The river Peene is rightfully known as "The Amazon of the North". The beautiful Lake Kummerow rental location in Malchin has a well-connected train station, only 600 meters walk from the base.

More information is provided in the new English brochure, "Boating and Cruising", which can be downloaded from our website www.kuhnle-tours.com/special-pages/catalogs/ or collected in person from Hall 13, D 57/59.
