ADDITIONAL INFORMATION FOR YOUR BOOKING

Surcharge for the hours of operation

In order to simplify and accelerate disembarkation we calculate the price of fuel used based on the number of hours the engine operates during the course of your charter. Prices can be found in your booking confirmation, in the captain's manual or on www.kuhnle-tours.com/faqs/

Berth Configuration for Aquino and Kormoran boats

On the Kormoran boats the berths can be modified to reflect your party size. This means that you can sometimes choose your cabin configuration between single or double berths. On the Kormoran 940, 1140, 1150, 1280, 1290, 1500 and Aquino 1190 you may choose between single or double berths in the middle and back cabins. On the Kormoran 1500 you can also modify the front cabins.

Refundable security deposit

We deduct a refundable security deposit of €1.200 (€600 on bellus 750, Febomobil 720 Open, First 210) on embarkation for any damages that may be inflicted during your charter. And for the fuel a deposit of €220 (from FUR no deposit for fuel, €20 on bellus 750, Febomobil 720 Open, First 210) must be paid. You can deposit with credit card (Visa or Mastercard) or in cash. Deposits paid in cash will be repaid by bank transfer.

Collision damage waiver

KUHNLE-TOURS offers a collision damage waiver which reduces the security deposit to €250. The cost of the collision damage waiver is indicated in our pricelist. There is no reduction in security deposit should an external collision damage waiver be purchased. It is our experience that the coverage of the external collision damage waivers do just cover hull losses. In contrast to the road traffic act there is no compulsory casualty insurance for waterways. It is possible that the excess for liability losses remains. In this case KUHNLE-TOURS will settle the amount with your deposit for the boat.

The price depends on the length of the boat:

Boats up to 9.50 m: €10/day

Boats 11,50 m and smaller 14 m: €15/day

bellus 750, Febomobil 720 Open, First 210: €8/day

Boats bigger 9.50 m and smaller 11,50 m: €13/day

Boats with 14 m or bigger: €18/day

If you want to cruise on the river Elbe or Oder between Eisenhuettenstadt and Hohensaaten we deduct a refundable security deposit of € 2.000 and there is no collision damage waiver available. Please note that the rivers Elbe and Oder can only be booked downstream and only with steel boats (no GRP boats).

Unlike road transport there is no legal liability insurance on the water. We therefore offer a deductible for liability damage which is settled at the time of deposit.

Cleaning of boats

If you would like us to clean the boat at the end of the charter please pre-book at the time of booking.

The price for cleaning depends on the length of the boat:

Boats up to 9.50 m: €60

Boats 11,50 m and smaller 13 m: €100

First 210: €42

Boats bigger 9.50 m and smaller 11,50 m: €80

Boats with 13 m or bigger: €120

Starter boat package

Bed linens, hand towel and beach towel (depending on the number of people), tea towel (two for each boat, 3- and 4-cabin boats: three for each boat), dishwashing-liquid, sponge cloth, toilet paper (one roll for each bath), hand soap (one for each boat), the price for two people on board is €35 and €10 for each additional person (already inclusive on Aquino and Kormoran).

Captains guide and Waterway guide in German

The guides will be sent to you once the latest season is printed. On board you will find detailed chart material including „Törnatas Mecklenburgische und Märkische Gewässer“. In France you will find a detailed map on board, we don't send a waterway guide to you.

Skipper from Zeuthen to the licence-free areas

A skipper is not required if you travel with one of the licence-free boats Febomobil, vetus 915 or bellus 750

(15 hp/11.03 kW) or if you have an inland sports boat licence. The skipper will take you as far as the Neue Muehle lock or to Lake Seddin and will also come on board for the return trip. From the Neue Muehle lock you can sail to Lake Scharmuetzelsee (Bad Saarow) or the Teupitz waters without a licence. From Lake Seddin you can reach the Ruedersdorfer Waters and the Spree-Oder-Waterway to Eisenhuettenstadt or turn off beforehand in the direction of Lake Schwielochsee. (minimum booking period: 3 days).

Purpose and legal basis for processing data:

Art. 6 sec. 1 lit. a GDPR – Consent by the data subject pursuant to Art. 4 sec. 2 No. 11 GDPR: We inform interested parties of our current product offers, product data and interesting information by means of various contact channels in accordance with their given consent. In addition, after consent, we store additional information about our customers and their interests for better communication.

Art. 6 sec. 1 lit. b GDPR – Initiation and fulfilment of the contract: We process customer data and other interested party data to provide offers, execute orders placed and bill for services rendered and delivered goods.

Art. 6 sec. 1 lit. c GDPR – Fulfilment of legal obligations: We process customer and interested party data in order to fulfil our legal obligations.

Art. 6 sec. 1 lit. f GDPR – Safeguarding the legitimate interests of the company: We process customer and interested party data to clarify their creditworthiness through credit agencies and to enforce any claims in the event of late payment via participating information agencies.

Recipients of the data: The data is passed on in individual cases to credit reporting agencies and for reporting of payment defaults. In the event of a delay in payment, data will be passed on to debt collection companies and our law firm. If our customers and interested parties have registered to receive up-to-date offers, product data and information via our newsletter (digital or analogue), their data will be passed on to the corresponding service providers. Within the framework of legal obligations, the required data is passed on to public authorities.

Duration of data storage: This is according to the statutory retention periods. If data is part of a contract or there is a legitimate interest, the data can be held for up to three years after the end of the customer relationship. Other data can be held for up to two years after the end of the customer relationship or earlier upon withdrawal of consent.

Rights of data subjects: As a data controller, you are entitled to the following intellectual property rights free of charge:

a) You can revoke your voluntary consent at any time (right of withdrawal).

b) You can request an overview of all data stored by you at any time (right of access).

c) In the case of data that is not subject to any legal or contractual retention obligation, you can request deletion at any time (right of deletion).

d) Consents to data processing can be restricted to certain areas at any time (right of restriction).

e) You can object to data processing that serves to safeguard the public interest or legitimate interests of the processor at any time, if there are reasons for your particular situation (right of objection).

f) In the case of data that has been stored incorrectly by you, you have the right to rectify this data at any time (right of correction).

g) You have the right to receive or have the personal data concerning you in a structured, common and machine-readable format transmitted to another location. (Right to data portability).

Consequences of not providing the data: The data processing based on voluntary consent has no effect on the fulfilment of the contract. However, not providing voluntary data may affect our service to you. All other data provided is collected and processed for contract fulfilment and the fulfilment of legal obligations. It is not possible to fulfill the contract without this data.

Right to complain: Every data controller has the right to complain to the data protection supervisory authority of his country or to the supervisory authority responsible for the processor of your data.

The competent supervisory authority for us is: State Commissioner for Data Protection and Freedom of Information Mecklenburg-Vorpommern, Werderstraße 74a, 19055 Schwerin, Germany, e-mail: info@datenschutz-mv.de
